# WARNING!

## BEWARE OF COUNTERFEIT PRODUCTS

Amway Business Owners (ABOs) are the only authorised sellers of Amway products.

Lina found Amway products listed at a lower price whilst scrolling ABC.com, a 3rd party online shopping platform. She decided to order from the seller on ABC.com as she thought she could enjoy some savings.

When her order arrived, she discovered that the products looked different from the Amway products that she had purchased from an ABO previously.

She tried contacting the seller immediately. However, the seller did not respond despite multiple attempts.

When you purchase from an unauthorised seller,  
**AMWAY WILL NOT:**

Guarantee the authenticity and/or quality of the product

Accept product returns

Accept complaints about product-related issues

Be responsible for any dispute over transactions between you and the unauthorised seller and/or the unauthorised platform

Apply the 90-day 100% Satisfaction Guarantee on your purchase
